

# Articles for Countable and Uncountable Nouns

## Instructions:

Write “a,” “an,” “some,” or “the” in the blank if the noun is countable.

Write “the” or “some” in the blank if the noun is uncountable, or don’t write anything.

There is one right answer in the Bible for every blank. However, there can be more than one right answer if you think about only grammar.

When you're done, check the last page for the answers.
